

## ATTILA JUHAS (AJ Design)

### Digital Communications/Website Specialist

---

#### EDUCATION/PROFESSIONAL REGISTRATION

- A.A., Furniture Engineering, Építőipari Szakközépiskola Engineering School

#### VALUE TO METRO

- Experience on METRO Project.
- Extensive experience in aiding public outreach programs for transportation projects using the following Architectural Visualization, 3D and 2D Modeling/Animation, Video Production, Graphic Design and Web Design.

Mr. Juhas has 20 years of experience in media production. He provides exceptional media services including Architectural 3D Visualization, 3D Animation, video production, graphic design, and web design. His goal is to use his experience and love for design to help people and companies stand out from the crowd, draw an audience, and convey their messages clearly. Mr. Juhas wants the videos and stunning designs he creates for his clients to tell stories capable of keeping their audience's attention – and to effect change even when words aren't present. Mr. Juhas recently developed a new technology (IAV | Interactive Architectural Visualization) where agencies can present their upcoming project in an interactive 3D scene. Mr. Juhas founded AJ Design in 1997. He worked for MBI Media for seven years prior. Mr. Juhas uses Final Cut Studio for editing videos, creating special effects, and exporting the final video. He uses Cinema 4D for 3D modeling and animation, and Adobe Creative Suite (Photoshop, Illustrator, InDesign, Dreamweaver) for graphic design and web design.

Mr. Juhas has worked on METRO projects and understands the branding needed for this contract.

---

#### **Metro SR-710 North Environmental Study | Los Angeles, CA**

Mr. Juhas was the camera operator, video editor, 3D animator, and graphic designer on this project. He worked closely with the producer and director to create a 3D fly-through demonstrating various alternatives, and how each alternative would affect the traffic flow. Mr. Juhas also created additional graphics to more effectively communicate the message. Video viewing link: [bit.ly/AJ710](http://bit.ly/AJ710). 3D Animation Reel: <http://bit.ly/28KJ3Co>

#### **40-Year Video, Riverside County Transportation Commission (RCTC) | Riverside County, CA**

Mr. Juhas created the 3D animated introduction and edited the RCTC 40-Year video. Video viewing link: [goo.gl/r26g59](http://goo.gl/r26g59).

#### **Grade Separation, RCTC | Riverside County, CA**

Mr. Juhas was the camera operator, video editor, 3D animator, and graphic designer on the project. He worked closely with the producer to visually communicate the need for grade separation in the Riverside area. Video viewing link: [bit.ly/AJgrade](http://bit.ly/AJgrade)

#### **241/91 Express Connector Project, Transportation Corridor Agency (TCA) | Irvine, CA**

Mr. Juhas was the 3D animator on this project. He produced virtual 3D animation of the completed construction area for the public. The final product was a seven-minute 3D video. Video viewing link: [goo.gl/J5YTUd](http://goo.gl/J5YTUd)
